

It) KidneyTM *Care*

An Ayurvedic Medicine by:

Why we need Health Supplement ?

- ❖ In the modern era, improper diet and lifestyle result in weaken bones and joints.
- ❖ This issue is not restricted to aged people but it also manifests itself in the young who eat diet that is not quite right and lack exercise.
- ❖ The result is inflamed and worn out joints, weak bones, osteoporosis, osteoarthritis and rheumatoid arthritis.

“**Nutrition for All**” brings to you – “**Its Kidney Care**” a total renal health product composed entirely of chosen herbs proven in Ayurveda for treatment of a variety of kidney related ailments and to maintain kidney health in normal adults.

“Its Kidney Care” is a kidney tonic and kidney health formulation combined into one powerful formulation to provide safe, effective relief.

Who should take Its Kidney Care ?

- ❖ Its Kidney Care can also be consumed by people with normal health in order to ensure health of their kidneys and to remove toxins.
- ❖ People with impaired kidney functions and kidney stones.

Why Its Kidney Care ?

- ❖ Benefits specific to renal functions.
- ❖ Can dissolve small and medium sized kidney stones up to 13 mm in size
- ❖ Reduces prostate and kidney inflammation
- ❖ Reduce swelling in joints
- ❖ Brings about relief for people with urinary tract infection
- ❖ Helps to regenerate damaged tissues in the kidney
- ❖ Restore normalcy
